OUR SERVICE

Our ambition is to create interesting, highly informative grades for a generation of people passionate about performance.

MN is a leading body in screen acting.

Our FREE CPD course aims to equip teachers with the skills necessary to deliver screen acting as a subject. By way of practical exercises, we highlight the difference between stage and screen, adapting the time-honoured traditions of theatre to working in front of camera.

Our day-long courses are designed for teachers who wish to develop a greater understanding of screen performance and wish to inform their teaching practice.

We run the courses at our purpose-built acting studios in Kings Cross. Our teacher training courses are accredited by The CPD Certification Service. "Hundreds of thousands of professionals recognise the CPD Certified symbol as the qualitative benchmark that, not only reflects but also sets those standards."
